**LOVELY PROFESSIONAL UNIVERSITY  
PANJAB  
INDIA**

Lovely Professional University (LPU) is an ASSOCHAM's National Education Excellence Award-winning institution and has also been ranked as top Education Brand of India in Economic Times.

LPU is a multi-disciplined university and offers 200+ programs in 40+ disciplines. These programs are recognized by the statutory bodies of the Government of India in diverse fields of higher education including National Council for Teacher Education (NCTE), Distance Education Council (DEC), Pharmacy Council of India (PCI), Council of Architecture (COA) and Bar Council of India (BCI). LPU has been created keeping the student aspiration and industrial requirement in mind. The infrastructure, curriculum, pedagogy and faculty work in synchronization to fulfil the motto and goal of the institution. The curriculum development involves multiple stages of refinement and one of the most important steps is the industry feedback.

LPU has set the record for the highest placements in any of the North Indian universities three times in a row. Cognizant alone has taken 1900 students in three years from LPU. Presently LPU students are working worldwide with prestigious global companies like Google, Microsoft, Apple, Amazon and many more at salary packages of more than Rs one Crore. LPU's infrastructure is unparalleled to any of the universities in India. It is a mini township. It has fantastic academic facilities, an eight-storied library and research block, hostel and accommodation facilities for over 20,000 students, a shopping mall, numerous eateries including brands like Domino's and Café Coffee Day, plenty of workshop area, India's first iMac Lab and various other facilities for students to grow and accomplish their goals. The university has recently invested hugely on its security systems and has stepped forward to become one of the safest campuses in the world.

## Classroom

Lovely Professional University Classrooms are better than other universities classrooms. The class-rooms are standard, well fitted with students desks / benches with seats , podium , white board, projector, sound system ,CCTV camera, recording system and Air conditioning( used during the hot season)

To synchronize theory and practice, the journals, magazines and newspapers are very helpful.

A Library is a collection of information, resources and services, organized for use, and maintained by

a responsible body. Libraries inform the public of what materials are available in their collections and

how to access that information. A modern Library provides educational resources to students and teachers

through publications and other electronic media.

The library is spanned in a 3000 sqft building with air-conditioning facility and it can accommodate

350 students for reading.

The library is computerized and is well equipped with more than 7000 volumes of books various disciplines,

55 magazines and periodicals. The college has invested more than Rs 35 lakhs for the library in the last 4

years for the purchase of the books. The college spends a minimum of Rs 5 lakhs each year on the books and Rs 2
